**Cora Terminal will apply a fuel surcharge to the handling rate invoice when the average Index Price for diesel fuel as published by the Energy Information Administration ("EIA") exceeds \$2.70 per gallon. The index price to be used shall be the Monthly Retail Diesel Price as published by the EIA for "Diesel (On-Highway) - All Types Ultra Low Sulfur (15 ppm and under)". Watco Companies shall use the previous month's average price to determine the current month's surcharge.**
